The Goat, Or, Who Is Sylvia?

Synopsis

Three-time Pulitzer Prize winner Edward Albee's most provocative, daring, and controversial play since *Who's Afraid of Virginia Woolf?*, *The Goat* won four major awards for best new play of the year (Tony, New York Drama Critics Circle, Drama Desk, and Outer Critics Circle). In the play, Martin, a successful architect who has just turned fifty, leads an ostensibly ideal life with his loving wife and gay teenage son. But when he confides to his best friend that he is also in love with a goat (named Sylvia), he sets in motion events that will destroy his family and leave his life in tatters. The playwright himself describes it this way: Every civilization sets quite arbitrary limits to its tolerances. The play is about a family that is deeply rocked by an unimaginable event and they solve that problem. It is my hope that people will think afresh about whether or not all the values they hold are valid.

Book Information

Hardcover: 112 pages

Publisher: Overlook Books; 1 edition (May 15, 2003)

Language: English

ISBN-10: 1585673641

ISBN-13: 978-1585673643

Customer Reviews

Unquestionably one of the wittiest and funniest plays Albee has ever written . . . truly fascinating . . . enthralling. -- Clive Barnes, New York Post

Edward Albee's plays include *Who's Afraid of Virginia Woolf?* (Tony Award), *A Delicate Balance* (Pulitzer Prize and Tony Award), *Seascape* (Pulitzer Prize), *Three Tall Women* (Pulitzer Prize), and *The Play About the Baby* (available from Overlook). He was awarded the Gold Medal in Drama from the American Academy and Institute of Arts and Letters, the Kennedy Center Honors, and the

National Medal of Arts.

I enjoyed it better than many of his earlier plays. I finished reading *Sea scape* a week earlier, which was a very good read, but this one is far more related to the issues of modern values

As powerful as I remember it onstage, with Bill Irwin and Sally Field. Ultimately a play much about love and the cost of the unknown, unforeseen event. A unique piece of writing.

good play but weird

This book was required for my contemporary drama class. I never actually read the books that are assigned, But this book was interesting from the very beginning. I think, made it more interesting is the fact that it is actually a Play and you get to vision all the things that are going on from small subtitles the give.

This play was well written. So much suspension between characters. You can visualize everything that is being said and you want to keep reading to find out what happens at the end.

What can I say? It's Albee at his most outrageous ...

Bought it because my daughter in law requested it. I never read it; but she was very pleased with the purchase. If she likes, it's a winner!

Edward Albee is probably one of the best modern American playwrights we have. The breadth and depth of his understanding of the White, Middle-Class family is astounding. This play explores some themes common in his repertoire, but also explores some new areas that are quite fascinating.
