The Expanding Family Life Cycle: Individual, Family, And Social Perspectives

Synopsis

Note: This is the bound book only and does not include access to the Enhanced Pearson eText. To order the Enhanced Pearson eText packaged with a bound book, use ISBN 0134057279. Updated, expanded, and more comprehensive than ever, this new Fifth Edition a classic family therapy resource, *The Expanded Family Life Cycle*, gives readers a solid understanding of human development and the life cycle. Featured are a groundbreaking integration of individual development within a systemic context discussion of the increasing racial, ethnic, and cultural diversity across the life cycle in the United States today; life cycle perspectives on LGBT issues, alcohol, sexuality, migration, social class, violence in the family, and assessment of “home place” as fundamental to clinical work. This edition moves from society’s general orientation of nuclear families to consider a more diverse and inclusive definition of society’s rapidly changing family patterns, one that considers, among other things, that the life cycle time frame itself has been expanding as people live longer and the patterns of coupling and child rearing continue to change. Also explored are the impact of issues at multiple levels of the human system and the individual, family households, extended family, community, cultural group, and the larger society. Included are new chapters on sexuality over the life course, mental health as well as physical health in life cycle perspective, and friendship through the life cycle. The Enhanced Pearson eText features embedded self-check assessments. Improve mastery and retention with the Enhanced Pearson eText* The Enhanced Pearson eText provides a rich, interactive learning environment designed to improve student mastery of content. The Enhanced Pearson eText is: Engaging. The new interactive, multimedia learning features were developed by the authors and other subject-matter experts to deepen and enrich the learning experience. Convenient. Enjoy instant online access from your computer or download the Pearson eText App to read on or offline on your iPad® and Android® tablet.* Affordable. The Enhanced Pearson eText may be purchased stand-alone or with a loose-leaf version of the text for 40-65% less than a print bound book. * The Enhanced eText features are only available in the Pearson eText format. They are not available in third-party eTexts or downloads. *The Pearson eText App is available on Google Play and in the App Store. It requires Android OS 3.1-4, a 7” or 10” tablet, or iPad iOS 5.0 or later.

Updated, expanded, and more comprehensive than ever, this new Fifth Edition of this classic family therapy text, *The Expanded Family Life Cycle*, gives readers a solid understanding of human development and the life cycle. Featured are a groundbreaking integration of individual development within a systemic context discussion of the increasing racial, ethnic, and cultural diversity across the life cycle in the United States today; life cycle perspectives on LGBT issues, alcohol, sexuality, migration, social class, violence in the family, and assessment of “home place” as fundamental to clinical work. This edition moves from society’s general orientation of nuclear families to consider a more diverse and inclusive definition of society’s rapidly changing family patterns, one that considers, among other things, that the life cycle time frame itself has been expanding as people live longer and the patterns of coupling and child rearing continue to change. **Invigorate learning with the Enhanced Pearson eText**
The Enhanced Pearson eText provides a rich, interactive learning environment designed to improve student mastery of content with the following multimedia features: **Self-Check.** Embedded questions matched to chapter learning outcomes help readers apply the concepts and ensure that they master the learning outcomes. Questions and suggested feedback are provided in the Pearson eText. **Chapter Review.** Embedded assessments with feedback help students review new terms and concepts. These are presented within the Pearson eText as interactive quizzes.

Monica McGoldrick, MSW, PhD (h.c.), is the Director of the Multicultural Family Institute and on the Clinical faculty of the Psychiatry at the Rutgers Robert Wood Johnson Medical School. She has an

international reputation as a trainer and author. Her other books include *Ethnicity and Family Therapy* (3rd ed), *Genograms* (3rd ed), *Living Beyond Loss* (2nd ed), *Re-Visioning Family Therapy: Race, Culture and Gender in Clinical Practice* (2nd ed), *Women in Families*, and *The Genogram Journey: Reconnecting With Your Family* (2nd edition of *You Can Go Home Again*, 2011). She is at work on a new *Genogram Casebook* to be published in 2015 and has two teaching videotapes on psychotherapy.net that have become classics in the field.

Nydia Garcia Preto, MSW, L.C.S.W. is the Associate Director at the Multicultural Family Institute in Highland Pk., NJ where she also has a Private Practice. Ms. Garcia Preto has been a Visiting Professor at the Rutgers Graduate School of Social Work, and was the Director of the Adolescent Day Hospital, at the University of Medicine and Dentistry of New Jersey. A noted family therapist, author, teacher, and lecturer, she has published and presented nationally on Puerto Rican and Latino families, Latinas, ethnic intermarriage, and families with adolescents. She is Co Editor of *Ethnicity and Family Therapy* (3rd ed), and of *The Expanded Family Life Cycle* (4th ed). She also is a highly respected trainer in the area of Cultural Competence.

While I don't expect textbook authors to be particularly good at making material interesting or engaging, I do expect them to be mostly impartial/impersonal. This text reads like a conversation with an individual who views older theoretical frameworks with disdain, and is concerned more with reinforcing and supporting their own perspective than with explaining how theory has changed. It's not the place of a textbook to tell a reader whether a paper is "wonderful", whether a theory is ridiculous, or making broad assertions about the nature of education without any supporting sources. I tend to agree with a number of the opinions/perspectives expressed, which makes it all the more disappointing. Much of what they express makes sense intuitively and can be reasonably asserted, but is left unverified and unsupported, whilst nearly any criticism of other perspectives appears to be thoroughly supported (I'll leave it to other readers to determine whether those sources actually support what is said). It gives the impression of having an agenda, which is out of place for a text required for coursework. In other words, the glaring issue with this text is its identity. I'm not sure if the authors meant to create a textbook, or a persuasive essay. As such, I'm finding myself having to read and re-read basic information so as to make sure I'm not inadvertently carrying their opinions over into my own evaluations/coursework. Thank goodness for "renting" kindle books - I don't want this as a permanent addition to my library, nor would I be pleased if I had paid the full price for it.

Well written. Up to date. Easy to read. Highly insightful. Printed on lovely paper. Aesthetically beautiful book.

Great book for Counseling majors! The authors definitely are realistic about social issues of today and what is going on. They do not hold back! So refreshing for a graduate study

This book was very informative and helpful in understand how Human Services professionals help others. I would recommend to others to read.

good book

Really came in clutch for my graduate course.

needed it for class. it was fine.

Great condition. Fast delivery.
