Painting With Brenda Harris, Volume 4: Gorgeous Gardens

Synopsis

You too can become an artist. It's as easy as 1-2-3! Beloved television painter Brenda Harris shows you how to paint perfect acrylics every time with the 10 projects inside this book—the fourth in North Light's Painting with Brenda Harris series. You'll love the 10 charming garden scenes in this book, including a bougainvillea terrace, a bird nestled in the foliage, and vegetables ripe for harvest. Capture exquisite details—from creeping vines to sunlit blooms—and learn to incorporate people, animals, and buildings into your garden. Beloved PBS painter Brenda Harris leads you through the essentials of painting acrylics. With her quick tips and simple patterns, you can easily paint a stunning masterpiece in just a few hours. This book provides all the helpful guidance you need to start painting today!

Customer Reviews

Brenda Harris has been a painting instructor for over 20 years, and since 1987 she has taught thousands of students via public television nationwide with her program Painting with Brenda Harris. She also travels throughout the U.S. teaching hands-on seminars.

I have every one of Brenda's instruction books and I've enjoyed each and every one. It is my opinion that this is her finest book to date. I have been a painting teacher for over twenty-five years and I have found her books to be a great way to help those students wanting to learn about acrylics. While acrylic painting can be intimidating to some, I have found that Brenda's techniques using

Clear Blend, White Blend and Slow Blend not only give the painter the 'extra' time they would like but it also makes it all nearly 'goof proof'. The step-by-step paint along lessons take you through the learning process in an easy to follow manner. I would suggest this or any of her past books if you are interested in learning a new painting method. Also, Brenda even encourages the beginning student to go ahead and use the bottle acrylics if they don't want to buy all new supplies for a painting medium they may or may not enjoy. Once you find that you too enjoy using acrylics you can then move toward a product with a heavier pigment. This North Light Book publication has 112 pages with over 163 colored photos to help you along the way plus 10 pages of patterns.

Arrived in perfect condition - thank you, seller! The book itself is quality although Ms. Harris' style is a little more 'method' than fine art. However, my Dad has done a number of paintings from her shows and books, and they always come out beautifully! Recommend the seller (who gets 5 stars) and the book.

Like all of her painting instruction books, this one has beautiful paintings and good instruction. I've been very pleased with this purchase.

Brenda Harris and Dorothy Dent are my favorite artists. I like the step by step process being shown as I have never had art lesson. I like that there are templates for each painting you do.

Talked to this lady greatest person ever and so helpful also got to talk to Dorothy Dent on the telephone also talk about an honor!!!

Clear and fun projects. Lovely subject matter with different learning experiences. Instructions are clear and concise. I appreciate the instructions on mixing the proper colors

Great

This book is okay if you are just looking for something to paint, a reference. She wants you to mix a lot of paint from her own preferred palette. By the time I would get all the paints mixed, I'd be out of the mood to paint. I much prefer mixing on the palette. The book gives basic instruction but not enough information so that you know how to accomplish what it is saying to do.
